The basement garage offers ample space for parking several vehicles. It also includes a utility area and a bathroom with a shower — perfect for supporting a potential leisure area in the surrounding outdoor space.

On the ground floor, level with the road, you will find an entrance hall providing access to all main rooms. Off the hall is a bedroom currently used as an office, featuring double sliding doors. From this same hall, you can also access the stairs to the garage, where there is a small storage room.

The hall leads to two further bedrooms, the main bathroom, and a spacious open-plan kitchen and living area.

Both bedrooms have built-in wardrobes and offer excellent views of the surrounding countryside through large French windows.

The bright and spacious open-plan kitchen and living room provide a modern and welcoming atmosphere. The kitchen comes fully equipped with appliances in excellent condition. The living room is pre-installed for a wood-burning stove or pellet heater, with the chimney already in place.

The bathroom on this level is fully fitted and features a generously sized walk-in shower.

Outside, the house is surrounded by paved areas and has access to a lovely garden with fruit trees. Several raised beds have already been built and are just waiting to be brought to life.

A unique opportunity to live in a modern, practical, and cosy home!

The property is located in the village of Moreiras Grandes, in the municipality of Torres Novas — a peaceful rural setting with easy access to essential services. Strategically situated between four major towns, it is approximately 14 km from Torres Novas and 12 km from the historic city of Tomar, with excellent road links to Entroncamento and Ourém as well.
