Description

This two-bedroom apartment is presented in excellent condition and is located in a quiet residential area of Tomar, with pleasant views towards the Castle.

Situated on a raised ground floor, the apartment is accessed by only a few steps, making it both practical and comfortable.

The entrance opens into a spacious hallway, which provides good access to the different rooms. There is also a small

pantry, offering useful additional storage space.

The kitchen is fully equipped, while the living room benefits from air conditioning and a Juliet balcony. Both windows facing the road are fitted with double glazing, helping to improve thermal and acoustic comfort.

The bathroom has been renovated and is fitted with a walk-in shower.

The apartment also offers two bedrooms, both with built-in wardrobes. One of the bedrooms has a generously sized balcony with lovely views towards Tomar Castle.

In the basement, there is a separate private storage room, providing valuable extra space.

Outside, very close to the apartment, there is a spacious double garage in excellent condition and with easy access. The garage has both water and electricity, significantly increasing its practicality and adding further value to the property.

The apartment has approximately 82 m² of internal living space, plus around 30 m² of garage and storage area.

This is an excellent opportunity, whether as a permanent home or an investment property, combining a peaceful location, good overall condition, useful additional spaces and the rare advantage of a large double garage with water and electricity.
