Description

Old farm house set over two floors, with annexes for agricultural support and a total of 23500 m² of land.

The ground floor of the house consists of storage spaces and a very basic kitchen. Access to the first floor is by an exterior stone stairs. We have 2 living rooms, 3 bedrooms, a basic kitchen with traditional fireplace in one corner and more recent bathroom. Wooden stairs give access to the large attic. The house needs renovation works. We are looking at a renovation project with a lot of potential, in an almost idyllic location.

Adjacent to the house we have a beautiful land with fruit trees, olive trees and vines, with bore hole with abundant water. Included in this sale we have seven more plots, some forestry and others for agricultural use, in an area with plenty of water. Through one of the plots passes a creek.

We are in the tranquility of the countryside, but only 4 km from Cernache do Bonjardim, and 12 km from the village of Sertã.
